ABOUT NAHB: The National Association of Home Builders is a Washington, D.C.-based trade association representing more than 200,000 members involved in home building, remodeling, multifamily construction, property management, subcontracting, design, housing finance, building product manufacturing and other aspects of residential and light commercial construction. Known as "the voice of the housing industry," NAHB is affiliated with more than 800 state and local home builders associations around the country. NAHB's builder members will construct about 80 percent of the new housing units projected for 2009.
